Transponder Info:

Weer transponders will be used for this event. Rental cost per rider is \$30 cash. Each rider will be required to have one. If you are riding multiple classes, you will only need one transponder.

You will need to bring \$30 cash to rent the transponder and a credit card that will have a \$100 deposit that will not be charged unless the transponder is not returned.

Forms of Payment:

Cash, Check, Gift Card, Visa, Master Card or Discover

Camping:

CEMX offers *reserved spots* beginning Tuesday June 1st from 7:30am to 3pm. Call 909-456-1070 ext 0 to reserve your spot - credit cards taken over the phone. Cost is \$10 per night Tuesday, Wednesday and Thursday nights. Cost is \$15 per night Friday and Saturday nights.

You are basically paying a convenience fee of reserving your spots from the first day they are available. First come, first

serve. For instance, if you show up on Sunday morning to race, your spot is available from the day you started reserving. No need to rush to get to the track for a prime spot, you can call and reserve. Therefore, total costs for camping are the following based on days you begin reserving:

Tuesday - \$60
Wednesday - \$50
Thursday - \$40
Friday - \$30

There are no electric or water hook ups. No water is available on site

Practice Times:

Tuesday 6/1 - 8am to 4pm (normal open practice day)

Friday 6/4 - 8am to 1:30pm National Track (2 Practice Rotations day)

NOTE - All practices will start in front of the starting line

Practice Order: 6/4/10

Weather permitting, an optional practice session will be held on Friday 6/4. You must register to race when registering for practice. You will receive a practice sticker that must be on your front number plate in order to practice. You must also practice with the class/group you signed up with.

Split Practice 8am to 1:40pm on National Track.

Race Order 6/5/10 and 6/6/10:

TBD

*****NOTE:** If you practice on Saturday, you will race all 2 motos on Saturday. If you practice on Sunday, you will race all 2 motos on Sunday.

Transponder Information:

Transponders can be rented at the track upon registering to race

Race Details:

- **CHANGE IN PROGRAM** - Each class will run a 2 MOTO format for an overall combined score - updated 6/1/10
- 2 motos allows for longer laps instead of 3 shorter motos
- All racing will be on the National Track
- All classes run two motos
- Both motos count towards overall finish
- Top 5 overall from each class advance to the National at Loretta Lynn's - see exceptions for 17.1, 17.2, 18.1, 18.2 classes
- If you practice on Saturday, you will race all 2 motos for that class on Saturday. If you practice on Sunday, you will race all 2 motos for that class on Sunday.

Racing Requirements:

This event is an AMA Sanctioned Event which means you HAVE to have a AMA Card to race. You can purchase one the day of the event or online at www.amaracing.com . If you have an AMA card and forget to bring the receipt of your temporary card or your card, you MUST purchase one. If your card is current and you have to purchase another one, AMA will tag on another year to your membership.

Regional Qualifier Advancement: CEMX is Southwest

In some geographic regions there may be more than forty riders eligible to participate in the Regional Championship. If there are more riders at the Regional than the starting gate can accommodate, then qualifying races will be run. Riders finishing in the top positions listed below are guaranteed to advance from the Regional Championships to the National.

(Note: exceptions for Classes: (17.1) Senior 45+; (17.2) Masters 50+; (18.1) 51cc Multi Speed; and (18.2) 51cc

Shaft). A minimum of 50% of the guaranteed qualifying positions from each Regional will advance to the National, regardless of the rider's power ranking.

Regions	Advance from Area	Advance from Regional	17.1 Senior 45+	17.2 Masters 50+	18.1 Multi Speed	18.2 51cc Shaft
Northeast	8	7	5	3	3	5
Southeast	8	7	5	3	3	5
Mid-East	8	7	5	3	3	5
North Central	8	6	4	3	3	4
South Central	8	6	4	3	3	4
Northwest	12*	4	3	2	2	3
Southwest	9*	5	4	3	3	4

**Subject to change.*

Alternate Procedure:

We will accept alternates for any class not pre-entered to 41 riders. If a class pre-enters with over 41 riders, we will accept alternates to 82 riders. We will not accept alternates to make any class over 41 riders that does not come already pre-registered over that number.

1. All alternates must attend rider registration and register in each class in which the rider is an alternate.
2. Alternates may participate in practice on Friday and Saturday mornings.

3. Alternates who did not pre-enter may post-enter at the event by completing the post-entry form and paying the applicable MX Sports fee(s) and entry fee(s).
4. Alternates will be placed based upon a power-ranking calculated by the number of riders at the qualifier level, i.e., alternates from qualifiers with the most riders will be given priority placement. In other words, a withdrawn rider will not necessarily be replaced by an alternate from the same qualifier as the withdrawn rider.
5. Alternates will not be placed until after the close of registration on Saturday. At that time, all no-shows will be deleted from the program and Alternates placed.
6. Once a class is full, no further Alternates can be placed unless a seeded rider withdraws from the program prior to the start of the first moto of that class. This means that even if a gate is empty on the starting line of the first moto, we still cannot place an Alternate in that position. Once a rider earns a gate position, it cannot be given to an Alternate without the rider's consent, even if the rider fails to race the first moto. A rider may in fact miss the first moto but race the 2nd and 3rd motos. After the first moto of a class is run, no Alternates can be placed in that class.

Registration Procedure:

1. All riders and 1 parent (if the rider is under 18 years) must attend registration. The AMA Competition Membership card does NOT change the necessity for a parent of a minor racer to attend the event and registration. If a parent cannot be in attendance, then a dated, signed, and notarized permission slip is

absolutely required. The permission slip should look like the one appearing below:

(Date)

I hereby give permission for my (son/daughter), (child's full name) to race in the Loretta Lynn's Amateur Regional MX at Unadilla Motocross, New Berlin, NY on June 18-20, 2010. (Name) will be responsible for (him/her) during the event.

Signed _____

Notarized signature and seal

A notary public can be found at your local bank, schools, government offices, and many places of business. The permission slip **MUST** be notarized. Brothers, sisters, aunts, uncles, etc. cannot take the place of a parent without the above notarized permission slip.

2. All riders, including minors, must go to the Registration area. You will need your transponder number and last first digits of your bike frame number. At the Registration Area you will:
 - Get transponder, if needed
 - Enter your classes
 - Sign up for optional Friday practice
 - Pay your race entry fee
 - Sign your entry and insurance release(s)
 - Obtain practice stickers

ALL MINORS SHOULD BE SURE A PARENT COMES TO REGISTRATION WITH THEM.

Registration Notes:

If a rider is in 2 classes and the practice sessions for those classes are run together, or the rider is in back-to-back practice sessions, he may request to practice with a different group for his second class. Otherwise, riders may not practice with classes in which they are not qualified.

Practice will run as follows:

Friday: 8am-1:40pm

Saturday: 8am

Sunday: 8am

Riders can enter a total of 4 classes at the Regional. However, a rider is limited to only 2 classes at the National. Thus, if a rider qualifies in more than 2 classes, he will have to declare which 2 classes he will compete in at the National.
